

DAMIGOS G. DIMITRIOS

PERSONAL DATA

- Birth date: 24.04.1972
- Place of birth: Athens, Greece
- Marital status: Single
- Address: 49 Ippokratous Str., Keratsini, 18756 Piraeus, GREECE
- tel. +302107722214, +302104329457 (residence), fax +301 0 7722156
- e-mail: damigos@metal.ntua.gr

EDUCATION

- 1996 – 2001: Ph.D in Environmental Economics
National Technical University of Athens (NTUA)
- 1990 – 1995: Diploma in Mining Engineering - Metallurgy
National Technical University of Athens (NTUA)
Department of Mining and Metallurgical Engineering
Degree grade: 8.03

PROFESSIONAL EXPERIENCE

- 2014 - Associate Prof. in Environmental Economics and Management, School of Mining Engineering & Metallurgy, National Technical University of Athens, Greece
- 2008 – 2014 Assistant Prof. in Environmental Economics and Management, School of Mining Engineering & Metallurgy, National Technical University of Athens, Greece.
Lecturer in Environmental Economics and Management, School of Mining Engineering & Metallurgy, National Technical University of Athens, Greece.
- 2003 – 2008 Researcher (Laboratory of Mining and Environmental Technology – NTUA).
Lavrion Technology Park (Management Consultant)
- 1995 – 2003 Mining - quarrying and construction companies (Consultant Engineer).
“Neorion Center of Occupational Training” (Responsible for the Environmental Education Sector)
- 1998 – 2001

MAJOR FIELDS OF INTEREST

Environmental economics, Mineral Economics, Environmental management, Financial and Cost-Benefit Analysis, Risk Assessment and Management.

FUNDED RESEARCH

Participation in more than 40 research projects in the fields of environmental economics, mineral economics, financial and cost-benefit analyses, risk assessment and management.

Scientific Responsible of the GEVAD (Greek Environmental Valuation Database), the first on-line environmental valuation database focused primarily on European valuation studies (available from: <http://www.gevad.minetech.metal.ntua.gr/home.php>).

TEACHING ACTIVITIES

- Postgraduate courses
 - Environmental Economics
 - Use of Environmental Economics in sustainable mountain development issues
 - Economics of water resources and the environment
 - Ventilation of underground workings

- Undergraduate courses
 - Environmental management
 - Mineral economics
 - Investment analysis
 - Managerial economics
 - Exploitation of mines II (Mine ventilation)
 - Health and Safety
 - Mining environmental management
 - Environment & Development

PUBLICATIONS

Refereed publications
